Designed and developed cross-platform mobile and web applications for diverse client needs. Integrated offline-online features, guest management, printing, and QR scanner functionality. Collaborated with teams to ensure on-time delivery of high-quality products.

ACCOUNTING INFORMATION SYSTEM

**Media & Information Staff** – Bandung, Indonesia **September 2021 - August 2022**

As a Media & Information Staff for Himpunan Mahasiswa D3 SIA, Universitas Telkom, I was responsible for promoting organizational events through creative and engaging campaigns. I managed the organization's social media platforms, ensuring consistent content updates to enhance engagement and outreach. My role involved designing promotional materials, coordinating with team members for event execution, and maintaining a positive public image of the organization through effective communication and media strategies.

SHOPEE WAREHOUSE

**Daily Worker – Warehouse Operator** – Bandung, Indonesia **June 2021 - December 2021**

As a Daily Worker (DW) at Shopee Express Warehouse, I was responsible for efficiently packing and organizing items to ensure they were ready for shipment. My role involved checking and verifying product quantities and conditions before packing, ensuring accuracy and quality in each package. I maintained the cleanliness and orderliness of the packing area, arranged goods systematically in the warehouse, and ensured all items were handled carefully to avoid damage. Additionally, I assisted in fulfilling orders by retrieving and preparing items as per purchase orders (POs) and collaborated with the team to meet daily operational targets.

PT SANITYA UTAMA

**Warehouse Admin Staff**– Bandung, Indonesia **August 2020 - March 2021**

As a Warehouse Admin Staff, I was responsible for accurately inputting and maintaining stock data in the inventory system, ensuring consistency between physical stock and digital records through regular reconciliation. I monitored inventory levels to support operational needs and collaborated with warehouse teams to streamline processes and resolve discrepancies. My role included preparing detailed reports on stock status, movement, and variances for management, as well as assisting in organizing and maintaining proper storage to optimize warehouse space.

PT AKUR PRATAMA (YOGYA GROUP)

**Sales Intern** – Bandung, Indonesia **August 2019 - September 2019**

As a Sales Intern at Yogya Group, I assisted customers by providing detailed product information and recommendations tailored to their needs. I supported the sales team in maintaining a high level of customer satisfaction through prompt and courteous service. My responsibilities included ensuring product displays were appealing and well-organized, assisting in stock management, and addressing customer inquiries or concerns to create a seamless shopping experience.

Education:

**Associate of Applied Science:** Accounting Information System, 2025

**Telkom University** - Bandung, Indonesia

**High School:** Social, 03/2020

**St. Maria 3** – Cimahi, Indonesia
